APPLY ONLINE

harrisonmedical.org/employment

Be prepared

Before going online, gather the following:

- Electronic resumé.
- Your current contact information.
- Work experience. (You may include all years of relevant employment history.)
- Professional license and certification information (if applicable).
- Education history.
- References (personal and professional).

Applying online

- Visit harrisonmedical.org/employment
- Click on **Search Jobs**.
- Click on **Instructions to Apply**. (to be guided through a tutorial about searching and applying online.)
- Select a position of interest from the **Search** box.

When you find a position:

- Click on the position name.
- Click on **Apply Now**.
- Click on **Register and Apply: Create an Account**.
- Fill out the **Create Your Job Finder Account**.
- Click on **Continue** and follow the instructions.

Take your time

- It will take about 30 to 45 minutes to complete the online application process.
- If you step away from your computer during this process, the system may time out and you may lose entered information. Navigate frequently between pages and log off properly.
- You will be asked to complete a survey at the end of the online application process. Managers require it prior to your interview.

When you're done

You'll receive an email confirmation when your application has been received and processed by our electronic system.
