

Harrison Medical Center Director appointed to Harmony Hill Board of Directors

Ed Smith, Director, Oncology Service Line, at Harrison Medical Center has been appointed to the Board of Directors for Harmony Hill Retreat Center in Union, WA. Harmony Hill is a unique, nonprofit, community organization that has provided support, education, and complementary medicine services dedicated to wellness since 1986. In 1994, the Harmony Hill Cancer Program was added to provide support for those affected by a cancer diagnosis.

In his role on the Board of Directors, Mr. Smith will support Harmony Hill's mission to transform the lives of those affected by cancer and to inspire healthy living for all and further community awareness of the cancer support and services available from Harmony Hill. Mr. Smith will serve on the Board until 2013.

The Harmony Hill Cancer Program includes one-day workshops and three-day retreats for those affected by cancer diagnosis including patients, caregivers and healthcare professionals. The cancer program workshops and retreats are free of charge to attendees and include resources and strategies for those facing cancer as well as emotional, mental and spiritual healing. To learn more about cancer support and services available from Harmony Hill, visit harmony-hill.org/.

Harrison Medical Center has a comprehensive oncology program, accredited by the American College of Surgeons Commission on Cancer (ACOS) since 1985, offering advanced treatments including many of the latest surgical options, superior nursing care from nurses who specialize in oncology care, support services, and an array of complementary therapies. For more information about Harrison Medical Center's accredited oncology program and services, please contact Ed Smith at 360-744-1825 or harrisonmedical.org/oncology.
