HARRISON
FOUNDATION

Few of us give much thought to our local hospital ... until we need it.
And then we want it to be the very best.

Now more than ever, philanthropy is making the difference between good care and the very best. Grateful patients, as well as others in the community, make charitable gifts to the Foundation that provide valued funding for patient care services, equipment, education and community outreach programs. Charitable gifts to the Foundation take many forms – from memorial and tribute gifts, to special event proceeds, to gifts (bequests) in wills. No matter the type or the size, all gifts are important and help to provide for the health care needs of our communities.

For more information on how you can help, call the
Harrison Medical Center Foundation at (360) 744-6760 or visit us at
www.harrisonfoundation.org.

Harrison Medical Center Foundation is a 501(c)(3) not-for-profit organization that facilitates charitable gifts to help Harrison Medical Center fulfill its mission to make a positive difference in people's lives through exceptional health care.
